- Participating schools, both traditional and charter, adopted TAP following at least a 75 % favorable staff vote.

Testimonials

"... TAP is a powerful wave in education that is making some significant changes... Through TAP we have a framework in which professional development is really authentic and organic and ongoing. It's changing the way that we talk about teaching and changing the way we practice and changing the academic performance of our students."

- Principal, Hornet Park Elementary School
Beech Grove City Schools

"TAP is taking strategies, resources, and support and finding ways to make my teaching and lessons more exciting and engaging for my students. It just gives a whole new meaning to teaching and makes me want to work harder."

- Mentor Teacher, Southport Elementary School
Perry Township Schools

"TAP's impact on my school has been a connectivity piece. I think that we have a common language and a common understanding that we are going to increase instruction, and we are going to impact students by doing so."

- Principal, Chamberlain Elementary School
Goshen Community Schools
